

Please note that at Hungarian universities a B2 or B2+ level of English is an entry requirement.

Not there yet?

The International Studies Center foundation programmes are 5, 10 or 15-month fast-track courses designed for international students, just like you, who need to bridge the gap between their local secondary education and starting a university degree in Hungary.

Below B1/beginner?

Our solution for you is the 400-contact-hour intensive language course in small study groups. It suits the needs of language learner the best at our Milestone Stage.

B1, but still not there?

Our solution for you is the 400-contact-hour Upgrade Stage with thematically focused language lessons closer to academic context.

B2, B2+ or native speaker?

Our solution for you is the 400-contact-hour Gateway stage offering academic English for specific purposes according to your choice of study field. We offer foundation programmes in 4 fields (medical, business and economy, engineering and IT, humanities).

Key dates

- Applying for the Academic Year/Fall semester: **until 30 June**
- Applying for the Spring semester: **until 31 October**
- Commencement of the programmes
 - Fall semester: **beginning of September**

Application requirements

Secondary school leaving certificate (or any equivalent document).

There is no language requirement at the preparatory courses of ISC, however the length of your course may depend on the level of your English knowledge.

Your preparatory program starts with an online placement test (written and oral) thus we are able to find the best possible study stage for you to join, and the programme ends with an internationally recognized ECL language exam (upper-intermediate or advanced).

Training

LEVEL: non-degree programme, foundation programme

DURATION: 1, 2 or 3 semesters (depending on your English level)

LANGUAGE: English

For more information on our tuition fees and refund policy please check ISC's website
