**Planning to have an
UNFORGETTABLE
SUMMER
this year?**

*A dream summer in
Central Europe
awaits you!*

**Pécs Summer School
2027**

The University of Pécs offers the following summer programs:

AI and Data Management

July 4–17

This program explores the rapidly evolving role of generative artificial intelligence in education, research, data management, and professional practice. Through practical exercises and real-world examples, participants will develop the skills needed to effectively and responsibly integrate AI tools into their academic and professional workflows.

Who should apply: Undergraduate, graduate and PhD students

Program fee: 1050 EUR

Earned credits: 6 ECTS credits

European Studies

July 4–17

The aim of the course is to help students understand the political, economic, cultural, and social achievements and challenges of the European Union, as well as the key factors that have shaped contemporary Europe.

Who should apply: Undergraduate, graduate and PhD students

Program fee: 1050 EUR

Earned credits: 6 ECTS credits

Leadership Skills

July 4–17

This intensive two-week summer course empowers participants with essential leadership skills to effectively guide and inspire teams. Participants will explore key leadership concepts, including vision setting, strategic thinking, communication, team dynamics, and decision-making.

Who should apply: Undergraduate, graduate and PhD students

Program fee: 1050 EUR

Earned credits: 6 ECTS credits

International Human Rights Law

July 4–17

The summer school will address some of the most topical issues in international human rights law, including the protection of human rights during armed conflicts and human rights in the digital age.

Who can apply: Law students

Program fee: 1450 EUR

Credits offered: 6 ECTS credits

This program combines lectures with hands-on experiences to explore social ecology and the interconnection between social and environmental systems. By working with local NGOs, including a Community Garden and an organization supporting students with disabilities, participants gain practical insights into building sustainable and inclusive communities.

Who should apply: Undergraduate, graduate and PhD students

Program fee: 1050 EUR

Earned credits: 6 ECTS credits

All summer programs are facilitated in English.

Deadline of application: April 1, 2027

All the program fees include:

- tuition and course materials
- accommodation in a student dormitory
- lunch on teaching days
- dinner when evening programs are organized
- cultural and social activities, including the Intercultural Evening, wine tasting program, dragon boat competition, Hungarian Dance House, sports activities, and museum visits
