<b>Course description:</b>	<p>We offer Hungarian language courses in autumn and spring semester of each academic year. The semester course is designed to students of the University of Pécs or anyone who is interested in studying Hungarian. The program builds a strong foundation for further Hungarian language studies in four lessons per week.</p> <p>Our aim is to include the maximum use and appreciation of the special native environment, so we mainly focus on the development of communication skills. ISC organizes the courses in small groups (4-10 students in a group) at five levels. For the semester program that contains 48 contact hours, 2 times 90 minutes per week. The condition for completion of the course is a successful written and oral exam at the end of the semester.</p>
<b>Transparency of entry and output requirements:</b>	The program starts with an online placement test (written and oral) thus we are able to find the best possible study stage for you to join, and the program ends with internationally recognized ECL language exam (upper-intermediate or advanced).
<b>Assessment methods:</b>	written and oral examination
