**80% of our respondents found a job immediately after graduation or within a couple of weeks.**

*(Source: Graduate Career Tracking 2021)*

Graduates can apply for study to work residence permit after their graduation, if they find a job or start a business on their own.

Every foreign student receiving a degree from a Hungarian university or college (or any other higher education institute) is eligible for the study-to-work visa.

The study-to-work permit allows applicants to stay another 9 months in Hungary after graduation, which is plenty of time to find a job or start a business.
