

CALL FOR APPLICATION

The University of Pécs calls for applications for participating in the Pannónia Scholarship Program Student Mobility for Traineeship for the fall semester of the 2026/2027 academic year

The object of the call for applications:

The purpose of the call is to offer traineeships at companies or organizations in another program country, lasting a minimum of 2 and a maximum of 4 months. The aim is to assist in acquiring the skills necessary in the community labour market and to understand the economic and social culture of the host country. The host enterprise can be active in the labour market or in the fields of education, training, or youth, with the exception of National Offices and EU bodies.

Within the framework of the Pannónia Scholarship Program, successful applicants have the opportunity to complete traineeships at universities, professional organizations, and non-profit organizations in the program country. The aim of the mobility can be a traineeship combined with specialized studies. Mobility can only take place if the credits obtained during the foreign traineeship are accepted by the sending institution and are credited to the student's progress at home (with the PTE credit system) and /or a Diploma Supplement is issued.

Students participating in the Pannónia Scholarship Program abroad also enrol at home, establish an active student status, pay any tuition fees at home, and receive their regular scholarship during their stay abroad.

The credit acquisition and recognition process must be recorded in the mobility agreement of the student participating in the mobility.

Duration of study mobility abroad: **minimum 2 months (62 days) - maximum 4 months (120 days)**

Period of study mobility: 1 July 2026-

Currency of the scholarship: **HUF**

Scholarship disbursement: **90% pre-financing - 10% post-financing**

Working hours: minimum 30 working hours/week.

Pannónia Scholarship Program students studying abroad:

- spend 2-4 months abroad (min. 60 days)
- **enrol at the home university, establish an active student status, pay any applicable tuition fees to their home university**, and receive their grants for the period of studying abroad.
- **do not obtain their degree and maintain an active student status before ending the mobility.**
- 100% credit recognition (credits earned abroad are 100% accepted by PTE)
- **The conclusion of the Support Agreement is only possible if there is a Learning Agreement signed by all three parties.** Completion and compliance with the courses agreed in the Learning Agreement is binding for both the student and the institutions.

We would like to draw your attention to the fact that mobility cannot be started without a signed and faculty-approved Learning Agreement, the decision of the Faculty International Committee, and the signed grant agreement. The university will not transfer funds after the start date of the mobility if the above-mentioned conditions are not met.
