Dormitory Allocation

- Dormitory placement is provided to a **particular group of freshmen students**: students who have not studied in Hungary before and students studying in bachelor/master/OTM **full-degree** programmes.
- Online dormitory registration form must be filled out before departure to Hungary to receive placement (application link is sent to eligible students after 15 July).
- You must fill out the dormitory service contract and comply with all house rules.
- **Dorm application from your second year**: dorm places are limited; hence, UP prioritizes scholarship freshmen when distributing students. Therefore, after your first academic year, you are not guaranteed dorm placement for the following years. Instead, UP will pay you the HUF 40.000 monthly accommodation allowance, and you will need to rent an apartment.

Dormitory Check-In & Check-Out

- Moving into the dormitory is possible from 31 August (from 26 August for students who attend the orientation days of the Faculty of Medicine, Pharmacy and Business).
- Non-stop check-in will be provided
- Dormitory allocations are non-negotiable: the final and officially allocated dormitory is the one you receive in the e-mail confirmation after your successful dormitory application, and not necessarily the one mentioned in the letter of admission, which is for visa purposes only!
- Roommate requests will be handled by the dormitory reception during check-in
- **While living in the dormitory, you are not entitled to the monthly accommodation allowance, and you are not allowed to change the mode of accommodation during the semester: if you move out from the dorm during the semester, you will not receive the HUF 40.000 monthly accommodation support until the beginning of the following semester.**

DORMITORY ALLOCATIONS ARE NON-NEGOTIABLE, SO YOU MIGHT BE ALLOCATED TO A DIFFERENT DORMITORY THAN THE ONE INDICATED IN YOUR LETTER OF ADMISSION.

Please note: You must inform the Immigration Office whenever you move to a new address in Hungary!

Renting a Flat in Pécs

The University of Pécs **cannot offer dormitory placement for scholarship-holder students who**

- are staying in Hungary for **partial studies** (1 or 2 semesters),
- **are PhD students,**
- **studied in Hungary** previously: started or completed any degree, course, preparatory course, or changed institution.

If you belong to any of the above groups, you need to rent an apartment in Pécs.

- Prices range between HUF 100.000 - 200.000 (+ utilities) for a furnished flat with central heating for one or two persons that is near to the city centre and university faculties.
- There are numerous private companies in town; one of them is **Student Housing** which offers free apartment-finding services for students:
 - the largest database of apartments for rent in Pécs
 - offering houses and apartments for rent, roommate search
 - making appointments with the landlords, take you out by car to view apartments, provide you with a rental contract, etc.
 - Address: UP Faculty of Medicine, Szigeti út 12. Pécs – 7624, Main Building, 2nd floor
 - Phone: +36 30 / 215-5513, +36 72/536 227
 - E-mail: studenthousing.pecs@gmail.com

Semester Activation & Enrolment

Where?

At your faculty's registrar's office (Please refer to the information you receive from your registrar's office).

Take the following documents with you to activate your student status:

- Passport (*if you have double citizenship, please only register the one you have applied with for the scholarship*)
- Letter of Admission
- Letter of Award
- Printed and signed enrolment form (matriculation sheet) downloaded from Neptun (with the barcode).
- Original high school diploma OR BA/BSc degree OR MA/MSc degree – depending on your study programme's requirement

Further information will be provided by your faculty's international coordinator and the registrar's office.

Why?

Without an active student status, you will not be able to start your studies in Pécs.

You will need to request 3 copies of STUDENT STATUS CERTIFICATE from your study programme's Registrar's Office for:

1. Medical Insurance card (TAJ card) application – at the Central Registrar's Office
2. Student Card application – at the Government Office
3. Hungarian bank account – at any bank's branch office in Hungary

Residence Permit

1. If you have previously applied for a student visa, you must pick up your residence permit at the Central Registrar's Office (CRO) within 30 days after arriving in Hungary. You will receive an e-mail notification when your residence permit has arrived. If you have not received any notification about your residence permit within 20 days of arriving in Hungary, please contact the Immigration Office (address and opening hours below).
2. If you have travelled to Hungary without a visa, you can either apply online here OR book an appointment at the regional Immigrations Office here (you need to register first) within 30 days after your arrival. (Address: Csend utca 3., Pécs 7623, Opening hours: Monday: 8:00-17:30, Tuesday: 8:00-16:00, Wednesday: 7:30-12:00, Thursday: 8:00-16:00, Friday: CLOSED)
3. In case your residence permit expires, you must initiate the extension online through the Enter Hungary platform at the latest 30 days before the expiration date!

One week after picking up your residence permit from the CRO, you will receive an e-mail containing a QR code from the Immigrations Office. This will be your electronic address card. Please, keep this with you on your mobile phone along with your residence permit.

Please note that it is your legal obligation to update your contact information (including your address, phone number, e-mail address) on enterhungary.gov.hu, while living in Hungary!

Attention! 'enterhungary.hu' and 'enterhungary.com' domains are non-official agency websites, where they charge you for their services! The official website ends with 'gov.hu'.

Application for Medical Insurance

Please log in to your Neptun account and click on the 'Administration' tab, then click on 'Requests' where you can find the form under the name 'PTE-Request form for the social security (TAJ) card'.

When submitting an application, you must upload the following documents:

1. Passport – the page of your photo and the validity period
2. Accommodation confirmation document (with the QR code)
3. Both sides of your residence permit scanned

Important notification:

Before the final submission of your application please, make sure that the data on your documents matches exactly your data in Neptun (if your data is different in Neptun, please visit your Registrar's Office at your faculty and ask them to update your data in Neptun)!

After submitting your application, an administrator will check your request. If they find any errors, your application will be sent back to you for correction. If your application is correct, it will be forwarded to the Central Registrar's Office (CRO). Once your application is accepted, an automatic message will be sent to you from the CRO with further instructions regarding the process.

As soon as your card is shipped to the CRO, you will be notified again. It takes approximately 3-4 weeks to issue your 'TAJ' card.

The above process applies both to the application for a new TAJ card and to the extension of an expired TAJ card.

Should you have any questions, please contact: infokti@pte.hu

Please note: Without your medical insurance, you are not entitled to free medical treatment in Hungary! Your insurance card also provides you with a discount on prescribed medicine!

PLEASE, DO NOT FORGET TO RENEW YOUR 'TAJ' CARD BEFORE IT EXPIRES!
