CALL FOR APPLICATIONS

The Faculty of Music and Visual Arts of the University of Pécs calls for applications for participating in the Erasmus+ Student Mobility for Traineeships Programme in the Academic Year 2023/2024

The aim of the call for applications:

Student mobility for traineeship is a period spent at an enterprise or an organisation in another programme country. The aim of the placement is to help students acquire competences which are relevant in the EU-wide labour market and to understand the economic and social culture of the host country. The host enterprise may be a private or public organisation active in the field of the labour market or education, training or youth, except for National Agencies and EU bodies.

Within the framework of the Erasmus+ Programme, successful applicants are given the opportunity to do traineeships at the universities, professional organisations and non-profit organisations of the programme countries. The aim of the mobility can study relevant to the student's major combined with serving traineeship. The mobility can only be realised if the sending institution accepts the traineeship accomplished abroad and count them in the academic progress of the student (by granting UP credits) and/or issuing a Diploma Supplement.

Students performing abroad within the framework of the Erasmus+ Programme:

- enrol in the home institution, establish an active student status, pay any possible tuition fee that may be due to their home institution and obtain their regular grant for the period of their stay abroad.

Duration of mobility abroad: **min. 63 days - max. 90 days (3 months)**

Number of hours per week of the traineeship: min. 30 hours/week

The mobility must take place between: **01.03.2024- 31.07.2024**

Currency of the grant: HUF
