

## Quality Objectives of the University of Pécs for year 2024

According to the regulations of the University of Pécs, the quality objective of the University can be set for academic year or a calendar year. Quality goals are designated by the rector, the fulfillment of which must be checked and documented. Based on the professional proposal of the Quality Development Committee, the following quality objectives have been designated for the 2024 calendar year:

<b>Quality Objective 1: Development of an action plan based on the Hungarian Accreditation Committee report</b>	
<b>Background for setting the quality objective:</b> The Hungarian Accreditation Committee (MAB) held its accreditation audit including management and professional panels between 17.04.2023 and 19.04.2023. The accreditation report was sent to the University of Pécs for first review on 8 December 2023. The report contains a number of proposals based on ESG aspects, for the implementation of which an action plan is required to be developed and submitted.	
<b>Specification of the quality objective:</b> The development and approval of an action plan, which includes the setting of tasks, responsible colleagues and deadlines for completion, is necessary for the formulation of the committee's proposals described in the accreditation report. The action plan have to be sent to the Hungarian Accreditation Commission. The action plan affects all points of ESG.	
<b>ESG references:</b>	ESG 1.1. Policy for quality assurance ESG 1.2. Design and approval of programmes ESG 1.3. Student-centered learning and assessment ESG 1.4. Student admission, progression, recognition and certification ESG 1.5. Teaching staff ESG 1.6. Learning resources and student support ESG 1.7. Information management ESG 1.8. Public information ESG 1.9 On-going monitoring and periodic review of programmes
