

## VISA

### CITIZENS OF THE EU/ EEA MEMBER STATES

Citizens of EU/EEA (EEA: member states of the EU and Norway, Switzerland, Iceland, and Lichtenstein) may travel to Hungary without a long-term study visa. However they need to obtain a registration card for the duration of the studies in Hungary.

### CITIZENS OF COUNTRIES OUTSIDE THE EEA

If a student is from the non-European Economic Area (non-EEA), he/she needs to apply for a long-term "D" type visa for study purposes at the Hungarian Consulate of his/her country of residence. Please note that this type of visa is a special national single entry visa that enables its holder to apply for a residence permit for study purposes after enrolling in a university in Hungary. This visa, contrary to the Schengen (tourist) visa, can only be obtained from the Hungarian consulates listed [here](#).

If the student requires a visa, please ask for a visa appointment as soon as possible (right after the student is notified about your acceptance), because in some cases the process can take up to three months, or even longer for visa applications with missing information.

### The following documents are needed for the application for residence permit:

1. a wholly and legibly completed, signed "residence permit" [application form](#).
2. valid passport (the validity of which has to exceed that of the requested visa by at least 3 months)
3. one passport size photos (not older than 3 months)
4. confirmation of Acceptance from the University of Pécs (Letter of Admission)
5. visa fee: ~60 EUR
6. declaring a real, exact address in Hungary (the document certifying accommodation in a student hostel or the tenancy contract)
7. documents certifying subsistence in Hungary (bank account statement; or the declaration of the parents that they assume coverage of all costs of the stay in Hungary; or the document certifying the scholarship)
8. attestation of the school that the applicant is exempt from the payment of school fees or that he/she has already paid the tuition fees.
9. travel insurance (A travel insurance is required to cover medical expenses, trip cancellation, lost luggage, flight accidents and other losses incurred while traveling; it can usually be arranged at the time of the booking of a trip and should be valid until the beginning of the study program) or equal financial means

After you arrive in Pécs, you can arrange your registration card (EEA) or residence permit (non-EEA) at the Immigration and Asylum Office (in Hungarian: Bevándorlási és Menekültügyi Hivatal, abbreviated as BMH).
