COURSES

Theoretical Courses and Demonstration Room Practices

Nursing:

Course title: Applied Anatomy in Health Sciences I. theory

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Applied Anatomy in Health Sciences I. practice

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: Applied Physiology and Pathophysiology in Health Sciences I. theory

Form of teaching: lecture

ECTS: 5

Semester: autumn

Language: english

Course title: Applied physiology and Pathophysiology in Health Sciences I. practice

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: First Aid theory

Form of teaching: lecture

ECTS: 2

Semester: autumn

Language: english

Course title: First Aid practice

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: Medical latin language and terminology I.

Form of teaching: lecture

ECTS: 4

Semester: autumn

Language: english

Course title: Basics of Cell biology and biochemistry in Health Sciences

Form of teaching: lecture

ECTS: 4

Semester: autumn

Language: english

Course title: Hungarian for medical purposes I.

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Internal medicine and nursing theory II. (clinical theory)

Form of teaching: lecture

ECTS: 3

Semester:autumn

Language: english

Course title: Internal medicine and nursing theory II. (nursing theory)

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Internal medicine and nursing theory II.(simulation/skill practice)

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: Psychiatry and nursing theory (clinical theory)

Language of instruction: English

Form of teaching: lecture

Form of assessment: term exam

Minimum number of students: 1

Class hours per week: 1

Semester: autumn

Credits (ECTS): 1

Lecturer: To be announced

Course title: Psychiatry and nursing theory (nursing theory)

Language of instruction: English

Form of teaching: lecture

Form of assessment: term exam

Minimum number of students: 1

Class hours per week: 1

Semester: autumn

Credits (ECTS): 1

Lecturer: To be announced

Course title: Psychiatry and nursing theory (clinical practice)

Language of instruction: English

Form of teaching: demonstration room practice

Form of assessment: practice exam

Minimum number of students: 1

Class hours per week: 1

Semester: autumn

Credits (ECTS): 3

Lecturer: To be announced

Course title: Surgery and nursing theory II. (clinical theory)

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Surgery and nursing theory II.(nursing theory)

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Surgery and nursing theory II. (simulation/skill practice)

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: Clinical knowledges and nursing theory I. (clinical theory)

Form of teaching: lecture

ECTS: 2

Smester: autumn

Language: english

Course title: Clinical knowledges and nursing theory I. (nursing theory)

Form of teaching: lecture

ECTS: 2

Semester: autumn

Language: english

Course title: Clinical knowledges and nursing theory II. (clinical theory)

Form of teaching: lecture

ECTS: 1

Semester: autumn

Language: english

Course title: Clinical knowledges and nursing theory II. (nursing theory)

Form of teaching: lecture

ECTS: 1

Semester: autumn

Language: english

Course title: Public care, nursing theory

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Public care, nursing theory

Form of teaching: practice

ECTS: 3

Semester: autumn

Language: english

Course title: Intensive care, anaesthetics and nursing theory (clinical theory)

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Intensive care, anaesthetics and nursing theory (nursing theory)

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Intensive care, anaesthetics and nursing theory simulation/skill practice

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: Oxiology and nursing theory (clinical theory)

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Oxiology and nursing theory (nursing theory)

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Oxiology and nursing theory simulation/skill practice

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: Gerontology and nursing theory 3

Form of teaching: lecture

ECTS: 1

Semester: autumn

Language: english

Physiotherapy:

Course title: Applied Anatomy in Health Sciences I. theory

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Applied Anatomy in Health Sciences I. practice

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: Applied Physiology and Pathophysiology in Health Sciences I. theory

Form of teaching: lecture

ECTS: 5

Semester: autumn

Language: english

Course title: Applied Physiology and Pathophysiology in Health Sciences I. practice

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: First Aid theory

Form of teaching: lecture

ECTS: 2

Semester: autumn

Language: english

Course title: First Aid practice

Form of teaching: practice

ECTS: 2

Semester: autumn

Language: english

Course title: Medical latin and terminology I.

Form of teaching: lecture

ECTS: 4

Semester: autumn

Language: english

Course title: Basic of cell biology and biochemistry in Health Sciences

Form of teaching: lecture

ECTS: 4

Semester: autumn

Language: english

Course title: Hungarian for medical purposes I.

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Functional analysis and examination of movement II. theory

Form of teaching: lecture

ECTS: 2

Semester: autumn

Language: english

Course title: Functional analysis and examination of movement II. practice

Form of teaching: practice

ECTS: 2

Semester:autumn

Language: english

Course title: Movement and massage therapy III. theory

Language of instruction: English

Form of teaching: lecture

Form of assessment: practice exam

Minimum number of students: 1

Class hours per week: 1

Semester: autumn

Credits (ECTS): 1

Lecturer: To be announced

Course title: Movement and massage therapy III. practice

Language of instruction: English

Form of teaching: demonstration room practice

Form of assessment: practice exam

Minimum number of students: 1

Class hours per week: 1

Semester: autumn

Credits (ECTS): 1

Lecturer: To be announced

Course title: Internal medicine I.

Form of teaching: lecture

ECTS: 3

Semester:autumn

Language: english

Course title: Physiotherapy II. theory

Form of teaching: lecture

ECTS: 2

Semester:autumn

Language: english

Course title: Physiotherapy II. practice

Form of teaching: practice

ECTS: 1

Semester:autumn

Language: english

Course title: Physiotherapy III. theory

Form of teaching: lecture

ECTS: 2

Semester:autumn

Language: english

Course title: Physiotherapy III. practice

Form of teaching: practice

ECTS: 2

Semester:autumn

Language: english

Course title: Diagnostically Imaging I.

Form of teaching: practice

ECTS: 2

Semester:autumn

Language: english

Course title: Orthopedics II.

Form of teaching: lecture

ECTS: 2

Semester:autumn

Language: english

Course title: Physiotherapy IX. theory

Form of teaching: lecture

ECTS: 1

Semester:autumn

Language: english

Course title: Physiotherapy IX. practice

Form of teaching: practice

ECTS: 1

Semester:autumn

Language: english

Course title: Gerontology I. - clinical theory

Form of teaching: lecture

ECTS: 1

Semester:autumn

Language: english

Course title: Gerontology I. – Physiotherapy of Geriatric theory

Form of teaching: lecture

ECTS: 1

Semester:autumn

Language: english

Course title: Gerontology I. – Physiotherapy of Geriatric practice

Form of teaching: practice

ECTS: 1

Semester:autumn

Language: english

Course title: Rheumatology

Form of teaching: lecture

ECTS: 1

Semester:autumn

Language: english

Course title: Physiotherapy X. theory

Form of teaching: lecture

ECTS: 1

Semester:autumn

Semester: autumn

Language: english

Course title: Hungarian for medical purposes I.

Form of teaching: lecture

ECTS: 3

Semester: autumn

Language: english

Course title: Personal and communicational development I.

Language of instruction: English

Form of teaching: lecture

Form of assessment: practical exam

Minimum number of students: 1
Class hours per week: 2
Semester: autumn
Credits (ECTS): 2
Lecturer: To be announced

Course title: Ethics in Health Sciences
Language of instruction: English
Form of teaching: lecture
Form of assessment: written exam
Minimum number of students: 1
Class hours per week: 2
Semester: autumn
Credits (ECTS): 2
Lecturer: To be announced

Course title: Clinical knowledges I.
Form of teaching: lecture
ECTS: 2
Semester: autumn
Language: english

Course title: Clinical knowledges II.
Language of instruction: English
Form of teaching: lecture
Form of assessment: oral exam
Minimum number of students: 1
Class hours per week: 1
Semester: autumn
Credits (ECTS): 2
Lecturer: To be announced

Course title: Obstetrics and gynaecology II. clinical theory
Form of teaching: lecture
ECTS: 2
Semester: autumn
Language: english

Course title: Obstetrics and gynaecology II. nursing theory

Form of teaching: lecture

ECTS: 2

Semester: autumn

Language: english

Course title: Obstetrics and gynaecology II. Simulation/skill practice

Form of teaching: practice

ECTS: 1

Semester:autumn

Language: english

Course title: Intensive care, anaesthetics I. theory

Form of teaching: lecture

ECTS: 1

Semester:autumn

Language: english

Course title: Obstetrics and gynaecology V. clinical theory

Form of teaching: lecture

ECTS: 2

Semester:autumn

Language: english

Course title: Obstetrics and gynaecology V. nursing theory

Form of teaching: lecture

ECTS: 2

Semester:autumn

Language: english

Course title: Obstetrics and gynaecology VI. theory

Form of teaching: lecture

ECTS: 3

Semester:autumn

Language: english

Course title: Obstetrics and gynaecology VII. theory

Form of teaching: lecture

ECTS: 1

Semester:autumn

Language: english

Dietitian

Course title: Food preparation I.

Form of teaching: lecture

Credits (ECTS): 5

Semester: fall

Course language: English

Course title: Food preparation I.

Form of teaching: practice

Credits (ECTS): 2

Semester: fall

Course language: English

Course title: Food Knowledge and Food Industrial Technology II.
