# Cost of living

- Cost of living is very affordable
- My rent is around 230\$
- Groceries for two weeks are around 50\$
- I spend the majority of my money on travel so please take that into consideration when budgeting for students

# Hungary is the most affordable country in Europe

# Traveling

- I have already been to Italy, Slovenia, Germany and Vienna
- I just booked my ticket to Spain and will be in France and Croatia later this summer

# Activities

- There are countless daytime and night time activities to do in Pécs
- My favorite hobby in Pécs is crossfit
- Clubbing, Bars, dancing, parties, eating out, hiking, shopping, traveling, *classes*, ice skating, swimming, and sports are some of my favorites

# Student support

- Student support here is exceptional
- There is a very strong international community that makes meeting others very easy. There are events and meetings held almost daily for students to mingle and communicate.
- The administration is always willing to help 24/7 with any problem or question a student may have

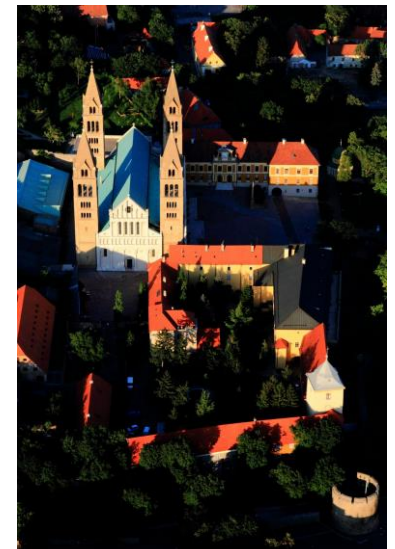

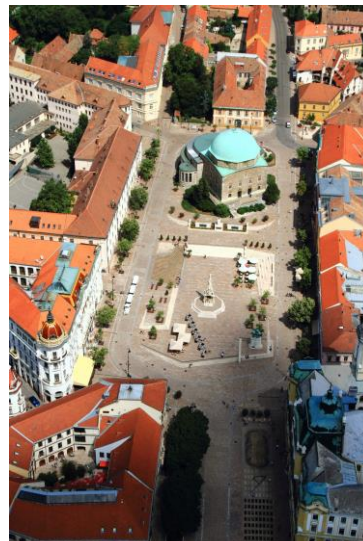

- I knew two people one which was a professor before I came here and now I have friends from all over the world.....

# Why Pécs?

- It is the most affordable option so students can save their money for travel
- The education and programs here are challenging yet engaging
- Students will have no problem feeling at home with the welcoming staff and community of international students
- It will be an experience of a lifetime that will help students face challenges, overcome fears and turn their travel dreams into reality
